

TK 5.1 : sharing data and methods within ALTOS

No task leader

SUP'COM
Higher School of Communication of Tunis

LISAH

CNRS

National Council for Scientific Research

جامعة القاضي عياض
UNIVERSITÉ CADI AYYAD

IRTA

TK5.1

Three topics

- Cluster based infrastructures for online sharing meta-data and meta-models. Few links on the ALTOS web-site.
- Modelling workshops : project start - project middle - project end
- Mobility based sharing

Deliverables and milestones

- Meta-data and meta-models on the ALTOS web-site.
- Materials from modelling workshop

TK5.1

Three topics

- Cluster based infrastructures for online sharing meta-data and meta-models. Few links on the ALTOS web-site.
- Modelling workshops : project start - project middle - project end
- Mobility based sharing

No task leader

No mobility

Few metadata/metamodel

No modelling workshop

Deliverables and milestones

- Meta-data and meta-models on the ALTOS web site.
- Materials from modelling workshop
