

Sharing data and methods / LISAH

Objectives: pooling data and methodological developments

Method: providing meta-data and meta-models on the ALTOS web site; providing modelling outcomes (mainly related to WP3) during the three dedicated workshops, involvement in the mobility strategy

Sharing data and methods / LISAH

Means

- ALTOS web site, almost constructed @ LISAH
- ACCWA project, articulation to be detailed

Partnership

- INRGREF, INAT, UCA, CESBIO, CERTE

Sharing data and methods / LISAH

Roadmap

- Nothing up to now.
- Maybe to be addressed in 12 months ?
